

1	Allysum White	Jumbo 6-Pak	<p>Full to Part Sun. Low growing covered in white blooms. Good border plant. Will reseed itself if soil is left undisturbed over the winter.</p> <p>Great in ground beds or container plantings. Blooms continuously throughout the summer.</p>	\$3.00	
2	Begonia Assorted	Jumbo 6-Pak	<p>Sun to Part Sun to Shade. Continuous bloomer, many colors in foliage and blooms. Stays 6-8" tall. Great as a mass planting.</p> <p>Doesn't like high wind areas as leaves will tend to be damaged-but plants will continue to bloom and grow.</p>	\$3.00	
3	Coleus Mixed	Jumbo 6-Pak	<p>Part Sun to Shade.</p> <p>Grown for its foliage, good as accent or border. Usually grows 12-15" tall. Keep stalk-like blooms removed from plant. This will keep the foliage at its peak appearance. Pinch back foliage early and often to keep plant from getting leggy and top heavy.</p>	\$3.00	
4	Dusty Miller	Jumbo 6-Pak	<p>Full Shade to Full Sun. Grown for its foliage. Height 8-10". Great Silver/gray foliage provides a perfect accent or border plant. Perfect in both ground beds and container plantings.</p>	\$3.00	
5	Impatiens White	Jumbo 6-Pak	<p>Part Sun to Shade. Continuous bloomers. Great for shady locations. Get's 8-20" depending on varieties. If used in planters or baskets, pinch plants back to insure solid growth appearance all the way from the base to the tip. This will encourage more blooms over the summer.</p>	\$3.00	
6	Impatiens Violet/Pink	Jumbo 6-Pak	<p>Part Sun to Shade. Continuous bloomers. Great for shady locations. Gets 8-20" depending on varieties. If used in planters or baskets, pinch plants back to insure solid growth appearance all the way from the base to the tip. This will encourage more blooms over the summer.</p>	\$3.00	

7	Impatiens Red	Jumbo 6-Pak	<p>Part Sun to Shade.</p> <p>Continuous bloomers. Great for shady locations. Gets 8-20" depending on varieties. If used in planters or baskets, pinch often to prevent becoming leggy.</p>	\$3.00	
8	Impatiens Orange	Jumbo 6-Pak	<p>Part Sun to Shade.</p> <p>Continuous bloomers. Great for shady locations. Gets 8-20" depending on varieties. If used in planters or baskets, pinch often to prevent becoming leggy.</p>	\$3.00	
9	Lobelia	Jumbo 6-Pak	<p>Shade to Sun.</p> <p>Great accent plant which will drape and creep in planters and hanging baskets. This plant gives a stunning vibrant blue accent to any planting.</p>	\$3.00	
10	Marigold (Assorted)	Jumbo 6-Pak	<p>Full Sun to Full shade.</p> <p>Very tough plant. Pinch at time of planting to ensure a fully branched plant. Height will vary according to variety. Remove dead blooms to ensure active blooming throughout summer.</p>	\$3.00	
11	Moss Rose	Jumbo 6-Pak	<p>Full Sun to Part Sun.</p> <p>Assorted colors. Height 6-8". Loves hot sunny locations. Will reseed itself if left undisturbed. Moss Rose is highly effective in ground beds, containers, or in hanging baskets. Blooms begin as a "rosebud" and end up as a fully opened "rose". Will tolerate dry conditions once established.</p>	\$3.00	
12	Petunia Pink	Jumbo 6-Pak	<p>Part Sun to Full Sun.</p> <p>Petunias get 8-12" tall. Pinch plants back to encourage branching and assure blooming. Feed every week to provide optimal blooming. Plants will spread about 12-24".</p> <p>Ground beds and containers.</p>	\$3.00	

13	Petunia Purple	Jumbo 6-Pak	<p>Part Sun to Full Sun. Petunias get 8-12" tall. Pinch plants back to encourage branching and assure blooming. Feed every week to provide optimal blooming. Plants will spread about 12-24"</p> <p>Ground beds and containers.</p>	\$3.00	
14	Petunia Red	Jumbo 6-Pak	<p>Part Sun to Full Sun. Petunias get 8-12" tall. Pinch plants back to encourage branching and assure blooming. Feed every week to provide optimal blooming. Plants will spread about 12-24".</p> <p>Ground beds and containers</p>	\$3.00	
15	Petunia White	Jumbo 6-Pak	<p>Part Sun to Full Sun. Petunias get 8-12" tall. Pinch plants back to encourage branching and assure blooming. Feed every week to provide optimal blooming. Plants will spread about 12-24".</p> <p>Ground beds and containers</p>	\$3.00	
16	Salvia Red	Jumbo 6-Pak	<p>Full Sun to Part Sun. Bright red flowers borne on upright stalks. Deadhead to insure continued blooming. Pinch plants often especially after planting to promote branching. Height 8-12"</p>	\$3.00	
17	Snapdragon Assorted	Jumbo 6-Pak	<p>Full Sun to Part Sun. Unusual bloom. Variety of colors. Great as a cut flower. Pinch flowers off to insure heavy, continuous blooming. Height depends on variety.</p> <p>Ground beds, containers.</p>	\$3.00	
18	Vinca Periwinkle Red/ Pink	Jumbo 6-Pak	<p>Full Sun. Height 12-24". Plants will develop best when temperatures are hot and roots are allowed to dry between waterings. Pinch at time of planting to insure branching.</p> <p>Ground beds , containers.</p>	\$3.00	

19	Vinca Periwinkle White	Jumbo 6-Pak	<p>Full Sun. Height 12-24". Plants will develop best when temperatures are hot and roots are allowed to dry between waterings. Pinch at time of planting to insure branching</p> <p>Ground beds, containers..</p>	\$3.00	
20	Tomatoes Traditional	Ind.	<p>Varieties include Better Boy, Celebrity, Big Mama, BeefSteak Type.</p> <p>Great in gardens or planters. Full Sun.</p>	\$2.50	
21	Tomatoes Heirloom	Ind.	<p>Varieties include..... Rutgers, Purple Cherokee, Amish Paste, Brandywine.</p> <p>Great in gardens or planters. Full Sun.</p>	\$2.50	
22	Sweet Peppers	Ind.	<p>Varieties include Green, Red, Yellow Bell.</p> <p>Great for salads, cooking, fresh.</p>	\$2.50	
23	Hot & Spicy Peppers	Ind.	<p>Varieties such as Habanero, Jalapeno, Super Chili, Poblano.</p> <p>Great in salsas, cooking, etc.</p>	\$2.50	
24	Tiny Tomatoes	Ind.	<p>NEW!!! Napa Grape, Sweet 100, Sugary, Yellow Pear.</p> <p>These are perfect for salads or fresh off the vine.</p>	\$2.50	
25	Slicing Cucumbers	Ind.	<p>A great slicing cucumber that stays slender and dark green. Great for fresh eating or for salads.</p>	\$2.50	

26	Sweet Corn	4"	NEW!!! Peaches and Cream Sweet Corn. Try your hand at sweet corn this year. Full Sun.	\$2.50	
27	Basil	4".	NEW!! Sweet Basil is a must have in every garden whether it be flower or herb. Basil can be used in an infinite number of ways with cooking. It can even be used as a beautiful bouquet in your kitchen.	\$3.50	
28	Rosemary	4"	NEW!! Rosemary is a wonderful addition to any her garden or planter. Rosemary is great in cooking with fish and chicken.	\$3.50	
29	Cilantro	4"	NEW!! Cilantro is a must for anyone who wants to add a little zip to their salsas. Definitely a must in Mexican dishes. Easy to grow.	\$3.50	
30	Mint	4"	NEW!!! Assorted varieties of mint. Full or Part Sun. Tends to be aggressive as it spreads with underground runners. Perennial. Plant in area that is contained or in planters. Wonderful addition for teas, other summer drinks and dishes.	\$3.50	
31	Lavendar	4"	Annual. This is the real stuff! Beautiful green gray foliage with blue/purple flower spikes that develop above the plant. Used for cooking, potpourri, sachets, and dried flower arrangements. Fragrant and beautiful.	\$5.00	
32	Canadian Red Rhubarb	1gal	NEW!!! Canadian Red Rhubarb, also know as Pie Plant. Red Rhubarb is sweeter than the Green variety. Plants are grown from root cuttings. Allow to grow at least 1 year without harvest in order to establish a heathly, sustainable root system. Enjoy Rhubarb all summer long.	\$15.00	

33	12" Hanging Basket	12"	Our grower is making our baskets bigger and better this year using 12 inch baskets. These will hold up well with water needs and be spectacular for your home or office. Lots of colors and varieties to choose from.	\$25	
34	15" Flower Pouch	15"	NEW!!! We have some amazing new flower pouches. These will be geraniums that will hold up well with our Midwest summers. Be sure to take your time watering them!	\$25	
35	12" Spectacular Patio Planters	12"	Beautiful 12" Planters filled with color and texture. Plants range from Sun Coleus, Blue Arrows Grass, Million Bells, Flambe, Diamond Frost and many more. A Spectacular Planter we have already planted for you!!! Pictured side view.	\$25	
36	Vinca Vine/ Wojo Vine	3"	Full Sun to Full Shade. Annual Trailing, great to plant in pots and baskets Will respond quickly to pinching back. Will grow new vines directly above the cut. Pinch back at time of planting and periodically throughout the spring.	\$2.50	
37	Spikes	3"	Full Sun to Full Shade. Good accent plant. Plant in pots or baskets. No blooms, grown for spiky upright foliage. Pictured side view	\$2.50	
38	Springerii / Asparagus Fern	3"	Full Sun to Full Shade. Annual. Delicate appearance, fern-like growth. Good accent for planters or all by itself. No bloom that is noticeable.	\$2.50	
39	Goldilocks Vine	3"	. A real favorite of mine. Can take Full Sun to Full Shade. Golden Leaves shaped like small coins drape over planters and baskets. Leaves are approximately 1/2 the size of a penny. A great color and texture contrast for any planter combination	\$2.50	

40	Silver Falls Vine	3"	This has quickly become a real crowd favorite. Beautiful and delicate in appearance, this is a very tough plant whose vines can reach 6' in length. A unique silvery/gray color. The delicate hanging vines flow in the breeze. Breathtaking.Takes full sun or shade..	\$2.50	
41	Ice Plant	3"	NEW!! Also known as Dortheanthus. Light green and white variegated leaves. Leaves are thicker and vines naturally mound and drape over edges of planters and baskets. Cute, tiny purple bloom looks like a 1/4" powder puff. Can be grown in a hanging basket alone but is very effective combined with other flowers as well. Great in hanging baskets or containers..	\$2.50	
335	Knockout Rose Yellow	2 gal	NEW!!! These Roses are considered part of the Knockout Series. They are easy to grow, bloom prolifically and are care free. This Yellow rose, 'Yellow Submarine' is a beautiful specimen. Starting out with deep yellow buds the blooms lighten up to a pale yellow by the time they are fully out. This gives you a lovely pallet of yellow colors during the summer.	\$25	
336	Knockout Rose Orange	2 gal	NEW!!! Considered part of the Knock-out Series. They are easy to grow, bloom prolifically and are care free. This one, 'Livin' Easy' is a striking orange colored rose. Very noticeable because very few flowers are a true orange. Lovely fragrance.	\$25	
337	Knockout Rose Purple	2 gal	NEW!!! Considered part of the Knockout Series. They are easy to grow, bloom prolifically and are care free. This Purple Rose, 'Burgandy Ice', is spectacular. Very fragrant, this rose will be a conversation piece!! As will all Knockouts, this does well in ground beds as well as planters. Will be perennial if planted in the ground. Truly unique. Won't find this one very often!!!	\$25	
42	Ajuga	Perennial. NEW	NEW!! The latest Ajuga varieties such as Chocolate Chip and Black Scallop. These plants are perfect for ground beds and wonderful for hanging baskets or planters. Add a little variety to your container plantings. They fill out and drape over the edge. Great contrast with both texture and color. Very dark foliage.	\$8	

43	Blackeyed Susan	Perennial.	Also known as Rudebeckia. Full Sun to Part Sun. Blooms are great for cut flowers and will bloom for weeks in late summer and fall. Hardy garden plant. Great addition to mass plantings and planters.	\$8	
44	Bleeding Heart	Perennial	Part Shade to Full Shade. This perennial has a mounding growth habit and very lush looking foliage. The blooms resemble pink hearts with white breaking down the center. Great for shady areas. Will not tolerate sunny, hot areas.	\$8	
45	Butterfly Bush	Perennial	Full Sun to Part Sun. Height ranges from 3-4 feet to 8-10 feet. One of the last perennials to "green-up" in the spring so be patient. Very fragrant blooms on arching branches that attract butterflies throughout mid summer to fall. Colors range from white to pink to deep purple.	\$8	
46	Cat Mint / Nepita	Perennial	NEW!!! This is a grower's choice. They love this one because it is so tough with weather and practically blooms throughout the summer. NOT A MINT, this plant has a clump growth pattern. Attracts butterflies. Tolerates most soils. Beautiful purple blooms. Ht. 12" . Width 15"	\$8	
47	Clematis	Perennial	This is a great one that will vine and grow up a trellis or a fence. Several varieties to choose from. Bloom colors vary. Bloom time dependent on variety. Autumn Clematis will bloom in the fall with a very sweet scent. Hybrid varieties will bloom in late spring or early summer.	\$8	
48	Columbine	Perennial	Definitely Full Shade. It will tolerate morning sun. This plant comes in a variety of bloom colors and regular or variegated foliage. It has a unique bloom that can be white, pink, blue, purple, red, mixed, etc. Plant has clump or mounded growth habit. Readily reseeds itself.	\$8	
49	Coreopsis	Perennial	This is considered to be a flowering workhorse - blooming most of the summer. Great for borders or cut flowers. Easy to grow with lots of return for the effort. Gets 12 - 18" tall. Assorted varieties available.	\$8	

50	Day Lily Stella Series	Perennial	Comes in Gold, Red, and Purple. Full Sun to Part Shade. This is an everblooming variety of Lily. Blooms throughout the entire summer and fall. Grows in a mounding habit	\$8	
51	Daisy Shasta	Perennial	Many varieties and height ranges. Perfect for cut flowers. Blooms in late spring to early summer. Removing blossoms will promote additional blooming.	\$8	
52	Delphinium	Perennial	Perennial. Delphiniums like full sun. Many varieties require staking in order for the bloom to present itself in an upright fashion. There are also smaller varieties that do not require staking. Comes in a variety of colors. Great for cut flowers.	\$8	
53	Gallardia	Perennial	Perennial. Assorted varieties. Height depends on variety but mainly stays around 12-24". Blooms range from yellow to orange to gold. Some varieties may have the center of the bloom darker	\$8	
54	Geum	Perennial	Wonderful perennial. Likes sun to light shade. Grows to 12-18" tall with a spread of 12-15". The leaf is evergreen with a fuzzy texture. Bloom color varies depending on species. Bloom time is late spring to early summer.	\$8	
55	Hosta Premium Assorted	Perennial	Perennial. Full Sun to Full Shade. Check tags. Premium varieties. Great variations in size, color, variegation, and leaf texture. We offer a wide assortment.	\$8	
56	Hybrid Lily	Perennial	Perennial. A selection of hybrid lilies with different bloom colors depending on variety. Wonderful for an accent or mass planting in the garden. This is also a great accent point for a container planter. This flower is perfect for cut flower use and lasts. Plant into ground beds for perennial comeback.	\$8	

57	Salvia	Perennial	Perennial. Full Sun to Part Sun. Salvia is a mounding perennial which is also a very prolific and showy bloomer. Blooms are primarily blue and purple. Plant will get reach a height of 12-24" and blooms throughout the summer.	\$8	
58	Succulents	Perennial	NEW!!! Perennial. Full Sun to Part Sun. Thrives on heat and very little water. Height dependant on variety. Grown primarily for foliage. Great for borders, rock gardens, planters, etc. Wonderful for creating topiaries with moss and chicken wire.	\$8	
59	Chinese Fountain Grass	Perennial	Full Sun. Clump Forming. Height 2-4' and Spread 2-4'. Arching mounds of bright green foliage turns golden in the fall. Bristly bottle brush plumes appear during the summer and disintegrate by early winter. Beautiful Perennial grass for the Midwest.	\$8	
60	Karl Foerester Grass	Perennial	NEW! Perennial Grass. Clump forming growth pattern. Very neat and proper looking. This grass is beautiful as a single accent and it is also stunning as a mass planting. Extremely drought resistant and loves heat. Height is 3-4'. Pictured side view	\$8	
61	Hardy Pampas Grass	Perennial	Full Sun. Clump Forming. Height 9 - 12' and Spread 8-10'. Coarse to medium textured gray-green leaves. Upright arching growth habit. The most hardy of all the pampas grasses for northern climates. Large plumes highlight the plant in fall. Salt tolerant, deer resistant and drought tolerant. This is a great plant. Pictured side view	\$8	
62	Geraniums Red	4 1/2" Pot	(4 1/2" Pot) Annual. Full Sun to Part Sun. Our varieties are cutting geraniums grown from a cutting rather than a seed. This means the plants will have a larger bloom, will hold up in wind and will grow to be a larger plant than the seed varieties. To promote flowering, remove dead flower heads.	\$4.50	

63	Geraniums White	4 1/2" Pot	Full Sun to Pt Sun. Annual. Our varieties are cutting geraniums, grown from a cutting not a seed. Larger blooms, hold up in wind, and larger plant. To promote flowering, remove dead flower heads.	\$4.50	
64	Geraniums Pink	4 1/2" Pot	Full Sun to Pt Sun. Annual. Our varieties are cutting geraniums, grown from a cutting not a seed. Larger blooms, hold up in wind, and larger plant. To promote flowering, remove dead flower heads.	\$4.50	
65	Geraniums Purple/ Fuschia	4 1/2" Pot	Full Sun to Pt Sun. Annual. Our varieties are cutting geraniums, grown from a cutting not a seed. Larger blooms, hold up in wind, and larger plant. To promote flowering, remove dead flower heads.	\$4.50	
66	Geraniums Orange/ Coral	4 1/2" Pot	NEW!! Full Sun to Pt Sun. Annual. Our varieties are cutting geraniums, grown from a cutting not a seed. Larger blooms, hold up in wind, and larger plant. To promote flowering, remove dead flower heads.	\$4.50	
67	Abutilon	4 1/2" Pot	NEW. Annual. Also known as Flowering Maple. Leaves resemble a Maple leaf and tend to present themselves parallel to the ground. Assorted colors, the blooms look like delicate bells. Great for Planters, Wall planters, ground beds, etc. Height 14-24" tall. Beautiful plant!!!!	\$5	
68	Angelonia & Archangel	4 1/2" Pot	NEW. Full Sun. Height 18-24". Space plants 12-14" apart. Upright growth habit. Prolific bloomers throughout the summer. Assorted variety of colors available. Great for borders, in beds or containers. Flowers appear on small flower stalks. Beautiful new addition to our plant sale.	\$5	
69	Bacopa 'Giga	4 1/2" Pot	Annual. Full Sun to Full Shade. We are using a new variety in 2010 with much larger, brighter (white) blooms. Very drought forgiving. Will stay low and drape over the edge of planters or baskets. Great plant.	\$5	

70	Bonfire Begonia	4 1/2" Pot	Annual. Height 24-36". Bloom Color is Red-Orange. Blooms throughout the summer and drapes for a great addition to any planter or ground bed. Tubers can be saved and started again the following year. A stunning plant that absolutely drips with blooms.	\$5	
71	Dragon Wing Begonia	4 1/2" Pot	Annual. Height 24-36". Bloom Color is Red-Orange. Blooms throughout the summer and drapes for a great addition to any planter or ground bed. Tubers can be saved and started again the following year. A stunning plant that literally drips with blooms. Performs beautifully in summer heat conditions.	\$5	
72	Coleus Sun Series	4 1/2" Pot	Annual. Full Sun to Part Shade. Unique and stunning colors in the foliage. This plant is truly a standout. Perfect for planters, either as solo or in a combination, mass plantings, and borders. Spike like flowers form atop the colorful foliage. Keep these pinched back to encourage healthy foliage. Adding new varieties this year including Kong Series and Under the Sea Series. Have Fun with this one!!!	\$5	
73	Canna "Tropical Mix"	4 1/2" Pot	Annual/Perennial. This is one of my favorite plants. It has green leaves with yellow, orange or red speckled blooms. The canna continues to send up shoots throughout the entire summer and fall to give continuous blooms. This plant can be saved for the next season if you dig up the root and store in a cool dry location. Gets to be 24-36" tall. Great in ground beds and containers. Try it and you'll love it.	\$5	
74	Copper Leaf	4 1/2" Pot	NEW!! Copper Leaf or Acalypha is a plant that takes full to part sun. Variegated leaves make this a beautiful addition to any bed or planter. A native of Fiji, it is grown here in the Midwest as an annual or an indoor plant. Height 12-18".	\$5	
75	Diamond Frost Euphorbia	4 1/2" Pot	Annual. This is a terrific plant with multiple uses. I tried it last year and is now a must have for my deck. This plant has small green leaves with airy, tiny, white flowers. Height reaches 12-24". Resembles the look of a babies breath. This plant is perfect for hanging baskets, containers, borders, or mass plantings.	\$5	

76	Lantana	4 1/2" Pot	<p>Breathtaking plants have flowers that look like small ice cream cones. Full sun. Mounding habit. Height varies between 12-24" depending on variety. Assorted colors. Great in containers and hanging baskets.</p> <p>This is a very TOUGH plant. Will hold up to extreme heat and is forgiving. Great for midwest summers!! Had wonderful customer reports for the summer of 2011.</p>	\$5	
77	Lobelia Bright Blue	4 1/2" Pot	<p>Full Sun to Full Shade. This Lobelia is now available in the larger 4" size. Extremely bright blue blooms make this Lobelia an excellent choice for an accent plant in your containers and baskets.</p>	\$5	
78	Mexican Heather	4 1/2" Pot	<p>Annual. Full sun to part shade. Grows 8-10" tall. Airy delicate purple flowers are borne on finely leaved stems. Clump growth habit. Great in ground beds, containers, and baskets.</p>	\$5	
79	Million Bells	4 1/2" Pot	<p>Annual. Comes in a variety of colors. Beautiful draping appearance. Blooms are tiny delicate and shaped like a petunia bloom. Leaves are very small and delicate. Great for containers and hanging baskets.</p>	\$5	
80	Nasturtium	4 1/2" Pot	<p>NEW!! Wonderful addition to a hanging basket, container, or the vegetable garden. As an ornamental, nasturtiums have a rounded leaf with very brightly colored flowers. As a garden feature, the nasturtium is completely edible (great in salads) as well as having the ability to keep squash bugs away. It really works!!!!</p>	\$5	
81	New Guinea Impatiens	4 1/2" Pot	<p>Annual. Part Sun to Part Shade. Variety of colors for both flowers and foliage. Large "impatien" type bloom. Can take more sun than a regular impatien. Great for baskets, planters, or in ground beds. Reaches 12-15" tall.</p>	\$5	

82	Sweet Potato Vine	4 1/2" Pot	Full Sun to Full Shade. Annual. Variety of colors, trailing growth, bloom is a mini petunia. Excellent filler plant in baskets or planters. Also very beautiful in mass ground plantings. Can be cut back and will branch out behind the cut. Great plant.	\$5	
83	Wave Petunia Premiums	4 1/2" Pot	Comes in a variety of colors. The Wave and other Premium varieties are perfect for ground beds, containers, and hanging baskets. Very prolific bloomer. Will continue blooming throughout the entire summer. Tough in the midwest summers and very reliable.	\$5	
84	Gerbera Daisy	4 1/2" Pot	Gerbera Daisies come in a wide variety of colors. This is the same flower you will find in the floral shops as cut flowers. Great in containers, hanging baskets, or ground beds. ***Tip for increased blooming***... keep the center crown of the plant open to light. Do this by removing any leaves that tend to 'canopy' the middle section of the plant. This really works!!	\$6.50	
85	Kimberly Queen Fern	1 gal	Kimberly Queen is the only Fern I will plant. I plant this one in my hanging baskets every year and will continue with this tradition. Developed from the traditional Boston Fern, this fern has improved color and the fronds tend to spike upward instead of bending, breaking, or laying down in the pot. Frilly and fresh appearance. Perfect for hanging baskets or other planters. Will do well in full shade and full sun. 24-36" in Height.	\$12	
86	'Baby Tut' Grass Annual	1 qt	NEW!!! This is an exciting new grass we are offering this year. It has the appearance of Papyrus and can tolerate very wet conditions to regular moisture conditions. Full sun to full shade. Height 15-20". Clump growth habit. Very unusual and perfect for a hanging basket, container or in a ground bed. This is one of my personal favorites.	\$8	

87	Cork Screw Grass Annual	1 qt	Full Sun to Full Shade. Unusual grass that grows in a clump form. Very intriguing corkscrew like leaves that grow upright in planters or ground beds. Most definitely a conversation piece. Will grow in shallow water , consistently moist garden soil, or in regular soil conditions. Very versatile. They are an extremely unusual treat for any planter or hanging basket.	\$6	
88	Fireworks Fountain Grass Annual	1 qt	Full Sun. Clump forming. Height 24-36" and spread 24-36". Arching foxtail like plumes. Foliage is variegated with mid-veins of typical burgundy with glowing hot pink on the margins. It is incredible. Perfect for accent planting or in a container.	\$8	
89	Purple Fountain Grass Annual	1 qt	Pennisetum species Clump Grass. Consider annual. Grows 48" tall and 36" wide. 10" long smoky purple flowers appear in summer. Provides motion and texture to the garden. Great for cut flowers, deer resistant, easy care, adds winter interest.	\$6
