Welcome to Seeds & Sprouts!!

We at Janet's Jungle wish to welcome you to our Seeds & Sprouts Division. We have gathered an excellent selection of seeds and sprouts to offer you for your home gardening experience. This sale will benefit the organization you are supporting while still allowing you to pay the **same price for a packet of seeds that you would pay in the store or garden center.**

Please take this opportunity to support your local organization while creating your flower and vegetable gardens.

About Our Sales!!

This sale provides both *organic* and *conventional* options for your seed purchase. All seeds offered are certified non-GMO. Whether you are looking for vegetables, flowers, sprouts or herbs, we have a vast array of options. Seed is tested for germination and purity by an independent laboratory before it is packed. By doing this, we insure that all the seeds going into your vegetable or flower garden meet with the rigorous standards of 97% germination in all our seeds. We appreciate your support.

There are few gifts that can equal the gift of gardening.

Teaching and sharing the art of gardening with people from young to the very seasoned gardeners, is giving a part of yourself that is invaluable and will be cherished forever.

Passing down hands-on knowledge has been an age old tradition from which we all benefit.

Good luck and most of all, have fun with your garden!!

Janet
